RESPONSE TO EXAMINER'S COMMENT

Commissioner for Patents:

Applicants submit this in response to the Examiner's Comment in the Notice of Allowance, dated April 8, 2004, in the above-identified patent application.

Remarks/Arguments begin on page 2 of this paper.

REMARKS

In the Notice of Allowance, dated April 8, 2004, the Examiner commented that "[o]f the two 132 declarations to which applicants refer in their timely response, only the declaration by Joo-Hwa Tay was received ...". Examiner further commented that the Tay declaration alone was sufficient in overcoming the rejections of record and that she considered it unnecessary for Applicants to resubmit the missing declaration.

However, in the interest of completing the file history of the above-identified patent application, Applicants are re-submitting herewith a copy of the missing Declaration of Yu Liu under 37 CFR 1.132 ("the Declaration"). The undersigned attorney certifies that the enclosed copy is a true copy of the Declaration as originally submitted on March 11, 2004, as evidenced by the attached copy of the return postcard.

Entry of this response and the enclosed copy of the Declaration is respectfully requested in order to complete the file history of the above-identified patent application.

Respectfully submitted,
